Note: 'Not registered' includes 'did not register to vote,' 'do not know,' and 'not reported.' 'Did not vote' includes 'did not vote,' 'do not know,' and 'not reported.' These estimates were derived using the veteran weight consistent with the 1990 Census-based population controls because the corresponding veteran weight consistent with 2000 Census-based population controls is not available; therefore population totals differ from those in previously published tables for 2002 while proportions of nonveterans are not affected.

The symbol (B) is used when the base for the derived measure is less than 100,000.

" - " Represents zero or rounds to zero.
